About This Game

DAMN! is a lightning fast twin-stick-shooter packed with action.

- Play through 25 missions, each with different objectives.
- Use a variety of weapons like the Shotgun, Flamethrower, Redirect Laser, Chain Gun, Mine Layer and more and defeat a multitude of enemies!
- Take on the Arena levels and blast your way to the top spot on the Steam leaderboards!
- **DAMN!** has an 'easy to learn, hard to master' play style for maximum mindless fun!

HELP ME!!

20 minutes into the game:
Damn! is just like any typical top-down shooter. Nothing makes it unique from the other top-down shooters. So far, gameplay is fluid but bland. Only problem I encountered was that I can't seem to press ESC to pause my game or go back to the Main Menu.

6\/10

To those curious about the game, here's my gameplay video link https:\/\/youtu.be\/9zTk3WZ-kDY
